Dear Parents,

It has certainly been a busy but very happy start to the 2015 school year. At our beginning of the year Mass on Tuesday 3 February Father Thang showed us how easy it is to break a single chopstick, but if we bundled a group of chopsticks together we can’t break them. This was a wonderful analogy to demonstrate the importance of working together.

We also listened to the Gospel story of the Good Samaritan which was retold to us by our students. The Samaritan crossed the road to support a person in need. We ask our children to show care towards each other as the Samaritan did and we ask of ourselves, the adults in their world to ‘seek to understand’, ensuring that we respond appropriately.

There have been many examples already this year where members of our community, whether they be parents, students or staff are reaching out to support each other. It was great to receive a phone call from one of our parents last Friday who shared her observation of one of our Year 5 students supporting another student during interschool sport. This feedback which we were able to share, is a great example of how we can all reach out and support our students and each other in a positive way. Let’s make 2015 a year where we make the most of every opportunity to come together and support each other as we provide a wonderful environment for all children to learn and grow together.

Welcome BBQ and Picnic

It was wonderful to have so many of our families at our Welcome to School BBQ and Picnic last Friday night. The children certainly became fully engaged in the water activities and paper plane activity whilst the parents welcomed new families and enjoyed each other’s company on our bottom yard. Thank you to all who helped to make the night such a success, Kristina Hally, Katherine Vago and Rita Bresciano along with Sidney, Ashleigh, Mikaela, Annie and Brian Anderson who helped plan and prepare for the evening. On the barbecue, we had Stan Eliadis, Simon Findling and Michael Butler who did a great job on the night. Thank you also to the staff who came along and ensured it was a fun event.
Parent Information Evenings
Thank you to all parents who attended our information evenings and to the staff for all their preparation. These evenings are just the beginning of an ongoing conversation we will have with you throughout the year. An information pack will be sent home as well.
We encourage parents to make contact with their child’s class teacher if they have a need. Please be aware that teachers are involved in professional learning meetings on Tuesday and Wednesday afternoons from 3:45pm. If you need to make an appointment with a teacher please contact Rebecca at the office so that a mutually convenient time can be arranged.

School Pick Up and Drop Off
We ask all parents and family members who ‘pick up’ and ‘drop off’ students at school to be mindful that you are entering a school zone. It is expected that everybody follows the road rules and signage indicating parking areas. It is also a great opportunity to teach your children road safety for example using the crossing in Robinhood Rd and not crossing the road in between cars. Banyule Council will have traffic officers in the area at this time throughout the year. Banyule Council have also been contacted by the school to investigate the possibility of putting up extra signage in the area indicating a school zone. They will also be looking at the feasibility of the crossing in Robinhood Rd. Please remember that it is a 5 minute zone outside the school before and after school. If you need to be away from your car at this time please find an alternate place to park.
The car park at Foodworks is also for customers only.

School Times
All parents are asked to be aware that school staff begin duty at 8.30am and after school duty is supervised until 3.45pm. If you need to drop off or pick up children outside of these times Out of Hours School Care is available and can be booked online www.oshclub.com.au
Children are not to be dropped off at school before 8:30am.

Parent Representative Council
During term 4 we called for nominations for parents to be part of the 2015 Parent Representative Council. We have 4 members who have indicated they are willing to continue to be members of the PRC and 1 new member. During 2015 we will be revising the role of the PRC along with working with the staff and parents in planning events throughout the year. The next event is our Twilight Sports which we can confirm is to be held on Thursday 26 March. Please put this date in your diary.
If you are interested in joining the PRC in 2015 please come and have a conversation with me.
I will approach members to arrange a suitable time for our first meeting to be held in the next few weeks.

Parent Class Representatives
A big ‘thank you’ to Rosemary and Susie who have volunteered to be the Prep Classroom Representatives. They have already arranged play dates before school started and great relationships amongst families have already begun to be formed. Thankyou also to Danielle who has volunteered for Year 1/2.
We are calling for Parent Class Representatives in other classes too. If you are interested in being a Parent Class Representative please see the overview at the end of this newsletter and fill out the form.

Foodworks
We are so lucky to be situated in such a supportive community. Paul and Debbie at Foodworks support our school in so many ways especially through the Rewards Program so if you are at Foodworks please remember Mother of God when you pay at the checkout.

Staff Professional Learning
During the last week all staff have received professional learning from NIRODAH (Counselling Service) in the Respect Ambassadors Program. This program will be implemented in Year 3 – 6 whilst the Prep – 2 students will use the language of ‘Is it safe? Is it kind? Is it fair?’ This language helps us to support students develop their understanding of what it means to show respect, act responsibly and be ready (to learn or to play). ‘Respect Ambassadors’ will further support/enrich our SWPBS Strategy of Responsibility Respect Ready.
Rachel Welsh and Jane Gough attended the first of four professional learning days on Expert Teaching in Mathematics in Year 5 to Year 8. This learning will be spaced across 2015.
Jane Gough has also enrolled in a Graduate Certificate Course in Religious Education at ACU. Jane and I attended a welcome Mass and Dinner for the participants in this course at the Catholic Leadership Centre last night. Miranda Montalti is also studying for her Masters in Educational Leadership which is a course offered in partnership with the Catholic Education Office of Melbourne and the University of Melbourne.
We are very fortunate to have a staff at MOG who are ongoing learners and work so collaboratively together.

School Closure Days 2015
Our school closure days for 2015 are as follows:
Monday April 13: Learning and Teaching Focus
Thursday June 4 and Friday June 5: Staff Conference – staff will be working on the Self-Reflection Report
Monday 2 November: Report Writing
Friday 27 November: Learning and Teaching Focus

FIRE (Friends Igniting Reconciliation through Education) Carriers
Last Thursday we commissioned 4 students as our 2015 FIRE Carriers. As FIRE Carriers these students made the following commitment:
As a FIRE Carrier we have laid strong foundations in our community to build respect, understanding and knowledge of our shared story that started in this rich land 40,000 years ago and continues today. We will promote Reconciliation throughout our community by organising activities to create awareness around significant dates of our shared history incorporate Aboriginal spirituality into our schools Catholic identity by including the cultural and ceremonial gifts of Aboriginal people within our Catholic identity.

Congratulations to Daniele, Ashleigh, Maggie and Andrea on being our 2015 FIRE Carriers. Also Ms Rachel Welsh who was also commissioned at this ceremony.

A special thank you to Hayley, Christian and Amy for the leadership they showed throughout 2014 and who as our 2014 FIRE Carriers will support our new FIRE Carriers as they work together to increase our understanding and knowledge and promote Reconciliation throughout our community at Mother of God.

We look forward to hearing from and learning with our FIRE Carriers throughout 2015.

**Canteen**

We are fortunate to be able to use The Ivanhoe East Primary School Canteen again this year. The canteen will operate from Tuesday to Friday each week. Lunches are given at first recess. Please write the order on the front of a brown paper bag, child's class and enclose the correct money. A summer menu is attached to the end of this newsletter.

**Updated Calendar Dates**

**Twilight Sports Thursday March 26** children will be dismissed at 1:00pm and will meet at Chelsworth Park at 3:15pm (more information in following newsletters).

**School Performance Thursday 18 June.**

**First Eucharist Sunday 11 October.**

**RE NEWS**

How have you crossed the road this week?

In the last two weeks it has been fantastic to see the children gather and attend the Mass on the Tuesday. Fr Thang has picked up on the theme of the Good Samaritan and how he went out of his way to cross the road and help others. This is an important message we are encouraging the children to explore. You may like to discuss with them how they have helped others this week.

**Ash Wednesday 18 February and Lent**

Next Wednesday begins the season of Lent. It is known as Ash Wednesday. The children from Years 1 to 4 will gather at 1:15 for a small prayer liturgy and receive the ashes.

Ash Wednesday marks the beginning of the forty days of preparation for Easter. It mirrors Jesus’ preparation for his ministry, while in the desert, he spent 40 days in prayer and fasting.

We do this through enacting the traditional triad of Lenten observances of **prayer, fasting and almsgiving.** These are all ways in which we prepare ourselves for the remembrance of the life, death and resurrection of Jesus.

So, in preparation for the feast of Easter we ask:

**HOW CAN I CROSS THE ROAD TO HELP OTHERS?**

**HOW DO I SEEK FIRST TO UNDERSTAND?**

**Prayer:** Time each day to sit with God for both spontaneous and formal prayer.

**Fasting:** Instead of focusing on ‘giving up’ a vice or a favourite food as the form of fasting for Lent, we can encourage those around us to think about what they can ignite within them to enact change for the better or self-improvement. For example, what characteristics would we like to embody – such as compassion, humility or forgiveness? We can reflect on what actions are needed to do this.

**Almsgiving:** During Lent in Australian Catholic schools and parishes we are invited to give alms through Caritas Australia’s Project Compassion. We are also encouraged to learn more about how to be together in solidarity with the world’s poor to help end poverty, promote justice and uphold dignity. As well as this, it can be helpful to think about almsgiving in other ways. For instance, every day we could give someone a compliment, spend time with someone different during lunch or perform an act of charity every day.

Each class will have a Project Compassion box into which your children may like to make a small donation.

If you would like a small project compassion box for home these are available from the school office. The theme for project compassion is “Theme for Life”

Our first class mass will be on Tuesday 24 February. It will be 1/2HM. All parents are welcome.

**Sacrament Dates**

Reconciliation: Tuesday 24 March at 11:45am
First Eucharist: Sunday 11 October at 10:30am
Confirmation: Sunday 31 May @ 2:30 at St Patrick’s Cathedral

**Family Masses** – families are invited to attend this Parish Mass to celebrate with your community and build relationships with each other and our Parish.

Sunday 22 February – Prep, Years 1 & 2
Sunday 1 March – Years 3 – 6
On the 10th of February the three Catholic Parish of Ivanhoe schools got together for the Beginning of Year Mass, held at Mother of God church. Father Thang talked to us about the story of the Good Samaritan and we watched a scene put together by the students from MOG. We spoke about being a good neighbour, crossing the road to help those in need and not continuing on our way and ignoring the troubles of those around us. We were taught that God loves us inside no matter how big or small we are, no matter what we look like and how we speak.

by Angelique and Mia from Mary Immaculate Primary School

Mother of God was the host school for our Catholic Parish of Ivanhoe Beginning of the School Year Mass. We combined with Mary Immaculate and St Bernadette’s. We have picked up the theme of ‘Crossing the road to help others’. The children are encouraged to think of ways we can do this in our school environment and our families. The older people in our community are encouraged to seek first to understand. Fr Thang used ‘M and M’S’ to show that we are all different but also the same on the inside and that God loves us all. At Mother of God ways we are already being like the Good Samaritan are helping our new preps settle in by stopping our games and seeing if they are ok. Another way is reminding each other how to be respectful by being safe, kind and fair.

By Hayley and Angelique from Mother of God P.S

It was exciting as it is a chance for the people at different schools to meet up and see each other. It was great to see the other school captains, meet them and wish them well for the year. I love how Father Thang uses things from our everyday life to help explain the gospel. It means that all the children are able to understand it better. We liked the demonstration of the M&M’s and how everyone may be different on the outside but on the inside we are all the same.
LEARNING AND TEACHING NEWS
Welcome back to learning and teaching at MOG for 2015. It was wonderful to catch up with many of you yesterday morning. There was such a great ‘buzz’ in all the classrooms and the students were ready to learn!
Over the next few weeks students will be completing literacy and numeracy assessments. These assessments in addition to teacher observations will provide essential information which will inform teacher planning in order to cater for individual learning needs of students. We look forward to discussing the results of the assessments and how your child is achieving in their learning during student/parent/teacher chats.

Classroom Parent helper training sessions will be held over the following dates:
19th February
4th March
11th March
18th March- (this date is new- a change in dates needed to be made)
Each session will run from 9am-10am. If you were a parent helper last year but did not attend the training sessions, please come along to the sessions this year. If you are unable to make these sessions please contact me to discuss other options. For all parents who were trained last year and are interested in helping out this year, keep an eye out for the next newsletter for more information. Please return the slip at the end of this newsletter if you will be attending the classroom parent helper training sessions.

CURRICULUM
At Mother of God School AusVELS is used to guide our learning and teaching. AusVELS is a National Curriculum which is followed by Australian Schools.

Each Term our teachers come together to plan and map out learning and teaching, always referring to AusVELS. The AusVELS structure encourages teachers to go further and use the curriculum to appropriately target the learning level of each individual student in a class. This reflects the considerable body of research that shows that in any typical mixed ability class, students will demonstrate a range of abilities that spans approximately five school levels. The design of the curriculum as an eleven-point continuum of learning is intended to encourage schools and teachers to use the full continuum to more effectively monitor and provide feedback to students on their learning. During weekly planning meetings teachers come together to plan for the individual needs of students. Focus groups which highlight specific needs of students in literacy and numeracy, form the basis of professional discussion amongst teachers, encompassing best teaching strategies.
In addition to weekly planning, teachers also take part in Professional Learning Team meetings (PLTs), where learning and teaching from Foundation to Year 6 is the focus. Approaches to learning and teaching across the school are highlighted within PLTs. Moderation of student’s work samples against AusVELS takes place during PLTs. This ensures that all teachers are familiar with the curriculum and shared understandings from Foundation to Year 6 and beyond are in place.
CDF STUDENT BANKING
Teach your child the good habit of regular saving…with a CDF Student Account.
A welcome gift to all students who open an account.
Bankbooks are collected on Monday morning and returned on Thursdays each week.
Application forms are available from the office.

UNIFORM SHOP
The uniform shop will be open next Thursday 19 February from 8.45. Second hand uniforms are also available.
Uniform order forms are available at the office, if paid in full items will be sent home via the tote system.
Thankyou- Lisa & Lucy

SCHOLASTIC BOOK CLUB
Welcome to the first book club for 2015. Issue 1 went home with students last week.

Scholastic Book Club has introduced a new online parent order and payment platform called LOOP.
Please find further information regarding online orders attached at the end of the newsletter.

If you do not want to order via the LOOP program you can still complete the order form at the back of the brochure and return it to the classroom (the same process as previous years).

Just a few reminders for existing and new families:-
- Payment can be made by cash, cheques payable to Scholastic or credit card (either by phone or online via the loop system).
- Occasionally when a book is no longer in stock a Scholastic Rewards Voucher will be issued to use on a future order.
- Orders will be delivered to your child’s classroom. This always brings squeals of delight and excitement.
- If you are placing an order which may be used as a gift just drop us a note on the order form and your order can be left in the office for collection.
- Scholastic Book Club orders raise funds and resources for our school. 20% of all orders earn rewards which are used to order new books and resources for our library and classrooms.

Issue 1 orders are due back at school by Monday 16 February 2015 (online orders will be open until 18 February 2015).

Any questions we can be contacted via the office.

Class School Representatives

Type of work: Voluntary Work - nominated role by class parents

MOG Climate/Context

At MOG teachers, parents and students work in partnership, supporting each other to achieve excellent learning outcomes....

How to nominate:
At commencement of each school year, students from each class will be provided with a form inviting parents to nominate for the role. A member of the PRC will contact the nominee (the parent) and provide a briefing session with all nominated Class Representatives at the start of the school year.

Prep parents will have a Class Representative appointed from a current parent in Term 4 of the year before they enter school. This is to assist them in the transition period. During term one another Class Representative will be appointed for the Prep Class to support this parent.

The Role:

The role of Class Representative is to provide a link between the class room teacher, the parents of the school and the Parent Representative Committee (PRC). The Class Representatives are responsible for the communication of class activities in particular to special events, class mass and any other activities as directed by the designated class room teacher. The aim of the role is to build communication, support and engage parents at the class level by ensuring that parents are kept up to date with learning opportunities.

Responsibilities:

- Communicate and distribute information to all class room parents as advised by the class room teacher for example, a text reminder of class mass.
- Promote awareness of school fund raising events by encouraging and supporting participation and attendance.
- Provide input and feedback to PRC and MOG leadership group.
• Act as the first point of contact for fund raising activities as co-ordinated by the PRC.
• Arrange and co-ordinate morning tea for class mass.
• Organise a social event for parents at the level group with other class representatives – Prep/Junior, Middle and Senior School.
• Attend a catch up meeting at the beginning of the term with all Class representatives and the PRC Representative.
